Dear Miss Meagher:

Enclosed please find a sample of the first mailing that will be sent out. The printer made an error on this run for your book was to head this page, not be an adjunct to it. He will correct this.

This will be the first mailing piece on your book. As we go further into the year, we will tie it in with other books -- as we are doing now with your book and other titles. As you probably understand, we have to tie in other books with yours because of the large number of mailing pieces that we must send out to properly promote every title. We have chosen titles that we felt would be compatible.

Thank you very much for your interest.

Cordially,  
The Scarecrow Press, Inc.
