Dear Mrs. Meagher:

We have sent a circular describing your book to all the individuals on the lists you supplied us. The list that we are returning to you enclosed, as you requested, was not used. Since no addresses are given we could not take the time to look all these up. Perhaps you might have the addresses handy and you might want to send the brochures to these people.

You will be probably interested in knowing that so far we have sold over 100 copies of your book.

Cordially,
The Scarecrow Press, Inc.
