Dear Mrs. Meagher:

In your book index to the Warren Report I note the indexing of Oswald with Associates, Acquaintances or Alleged Contacts. I note the indexing of 18 people, including Walker, E. A., as "Right-Wingers and Neo-Nazi" (pp. 147-148).

Would you explain to me what you mean by neo-Nazi, how it is intended to apply to each of the 18, to me, and to the group as a whole?

I found no listings under "Left-Wingers and Neo-Nazi," the category under which the Warren Commission proved that Oswald, the assassin, and Ruby the murderer of the assassin, with their associates, would fall.

Sincerely,

Edwin A. Walker
