Mrs. Sylvia Meagher
302 West 12th Street
New York, New York 10014

Dear Mrs. Meagher:

We had a call this morning from Time Magazine. They wanted a sale figure for your book INDEX TO THE WARREN REPORT so we gave them a somewhat inflated figure and said 1800 copies have been sold. This is not correct. The more accurate figure is about 820. We thought it would be better if we reported a higher number to them -- thought you would want to know.

Best regards,

Sincerely,

A handwritten signature in cursive script that reads "Albert Daub" followed by a small flourish.

Albert Daub
President
