Dear Mr Arnoni;

Enclosed please find my order for several more of your bound back date volumes, and a money order for \$87.50 for same.

In addition I should like to know if you can advise me where I might be able to obtain a copy of Sylvia Meagher's Index to the Warren Report's twenty six volumes. I have been unable to locate it in New York.

Thank you, and keep up the good work with your magazine.

Sincerely

H.J. Donahue
