Dear Mr. McKinney,

Linda Gallo will have told you of her phonecall to me this evening. May I suggest that Harold Weisberg is one of the best-qualified people for the program she mentioned?

As I promised Miss Gallo, I am sending you herewith some materials out of my file--in each case, my sole copy and quite irreplaceable. I rely upon the safe return of these papers and also upon your discretion as to the source of any information therein.

Unfortunately WCAU is not really audible on my radio. If you can possibly send me a transcript or a tape of the forthcoming program, I should be most appreciative.

With warm personal regards,

Yours in haste,
