The President's Commission, by letter dated July 30, 1964, enclosed two photographs designated as GERALD L. HILL, Exhibit A, and GERALD L. HILL, Exhibit B. These photographs were taken at the Texas Theatre and show OSWALD being removed from the Texas Theatre by police officers. On the back of each of the photographs there appears the name and address of the photographer, JIM MAC CANNON, 3121 Routh Street, Dallas, Texas.

The President's Commission requested that Mr. MAC CANNON be contacted and either the color slides from which the pictures were made or the original negatives be obtained so that it might be determined if the shirt worn by LEE HARVEY OSWALD in these photographs is the same shirt which has been designated as Commission Exhibit Number 150.
