

Dear Mrs,

8/11/66

A thought before explaining -

I went to get the Observer and New Statesman and was unsuccessful. If you can xerox the relevant page or pages when you go back to work it will be much appreciated. If not perhaps I can do it!

In general, would you please always get an extra copy of such things for me? That is, if it is no trouble. And I will gladly reimburse you.

Good luck with your current endeavours.

Yours

Tom
