Dear Mr. Silvers,

Some interesting press clippings arrived this morning, as you will see on the enclosed list. Stupidly, I made only one carbon copy, realizing only afterward that the information would be of interest to you and Ed and others. Do you think you might make five or six photocopies and send them to me? I will then mail them to Ed, Jones, Sauvage, etc.

Let me know if you want to see any particular clipping and I will mail it to you.

Best regards.

Hastily,

Sylvia Meagher
