Dear Bob,

Perhaps Jones Harris has already mentioned this to you but if not--can you get, from your contact in the Archives, Commission Document No. 354, 3 pages, Secret Service interview with Pierce Allman? There is some reason to believe that it may contain information of some importance about Oswald's movements when he left the Depository building and before he boarded the bus.

I have been to several stores trying to get the Popkin book but none of them had it. Can you suggest where I might get a copy?

As I mentioned on the phone, I will be glad, if you wish, to go over the final text of the reply to Crawford's letter.

With best regards,

Yours sincerely,

Sylvia Meagher
