

Dear Sylvia,

This seems excellent, I've made
one or two tiny suggestions. I do
hope you'll send it to Lee Johnson,
Hedley Donovan, Otto Fuenkrieger,
and Henry Luce.

By the way you should have gotten
Popkin's book and reply. It
was terrific of you to be so helpful
in checking them over: I was
enormously grateful to you and
Fritz is too. All be in touch
before our 30th date.

Best,

B/B
