Dear Miss Simmons,

Thank you for your letter. About the newspaper clippings: what would be helpful would be to receive any stories that appear in the Dallas papers at the present time and as events continue to develop —stories that deal with the Warren Report or with any witness whose name you recognize as being that of a person who had a direct or indirect connection with the case.

So far as your friend's collection of newspapers of 11/22/63, I shouldn't think that she would be willing to part with them. I have read the back issues of the Dallas Morning News at the newspaper library (on microfilm); but the library does not keep the Dallas Times-Herald on file, so I have not seen any issues of that paper for the days immediately after 11/22/63. If your friend is willing to part with her collection, I would of course be more than happy to receive it.

If anything else turns up that you feel might be of interest, I hope you will let me know. If your time permits, of course.

With all good wishes,

Yours sincerely,

Sylvia Meagher
