Dear Mr. Slemmer,

Thank you for your two recent letters and enclosures. Since we were last in touch, in May of 1972, I have been ill and hospitalized on two occasions. Although I am now improved, my doctor feels that I must avoid the effort and the strain of working after-hours on the assassination. For that reason, I am not able to answer the several questions you posed.

I hope that you will forgive me for this poor response to your interesting letters. I hope that you will continue your excellent work on the case and that in due time I will be well enough again to resume our correspondence.

With best wishes,

Yours sincerely,

Sylvia Meagher
