8 April 68

Dear Mrs Meagher,

I am embarrassed by your 4 April. Not because of anything you said, but rather by the amount of attention you gave to the answering of my questions. Have read your letter through a couple of times thus far & will do it again.\*

Please, let me reply to it at a later date.

Enclosing some additional notes,\* for whatever interest they might contain.

Sincerely,

*Steffen Sorensen*
