Dear Sirs:

(Or Dear Sir, maybe)

Please place me on your subscription list. As I do not know the cost of your thing, I enclose a blank check with an indicated limit of \$10.

If a one year subscription does not exceed this amount, I would be pleased to receive from you a selection of back issues. My primary interest would have to do with Credibility Gaps (all sorts) between ourselves & our government.

A nice thing I heard about you recently, in a letter from one of your subscribers: that you somehow manage to offend everybody in all directions. Great. I never heard of anything like that before. Whatever you have, please send it.

Yours Truly,

Steffen Sorensen
