Dear Sir,

I'd like to request your aid in helping myself and my wife to get resettled in the U.S.A.

I am a citizen of the United States & have lived in the Soviet Union since October, 1959. My wife is a Soviet citizen, born in the U.S.S.R. in 1941.

She has been classified under the immigration act of the United States and is eligible to enter the U.S.A. as my wife, for permanent residence.

However, in making the move, it incurs many expenses and inconveniences, this is where your fine organization can help.

Since July, 1961 I and my wife have been working and waiting to get Soviet exit visas to leave the Soviet Union for the U.S.A.

After all this time our visas have finally been granted, thank God, but our troubles are not finished, only if your organization steps in.

I would direct you to contact the American Embassy, Moscow U.S.S.R. for information in regards to your case, a sum of \$1000. is necessary.

Our need is urgent, please render all assistance you can.

Sincerely,
Lee H. Oswald
