

12/4/65

Dear Miss Meagher,

where can I find testimony describing the efforts of Dallas officials to prevent the hasty removal of Kennedy's body from Parkland Hospital.

I need this information for a piece I am laboring to complete and which I will send you

when I am done some weeks hence. I am

learning to appreciate the travail of those who

wrote books or scraps of paper in prisons or other arduous circumstances.

Very truly, yours
