Dear Tom,

Just a very quick note to confirm that you may feel entirely free to xerox the Joesten opuses (that does not look right--opusi?). The information about Warren's father is in EARL WARREN: A POLITICAL BIOGRAPHY by Leo Katcher, McGraw Hill 1967.

It was a real pleasure to see you and Mrs. Stamm the other night. I hope you will both come and visit again, without waiting too long.

Best, as always,
