

Dear Sylvia

1/17/69

Finally dug it up. Looks fragile.

If you Xerox can you make an extra copy?

If there is a cost please let me know.

My recollection is I advised Vince about this document and he got himself a copy. No matter.

Latest govt. release on W.C. a pretty shoddy maneuver to protect govt policy or assass.

I hope Garrison defects it.

How about dinner at our menage

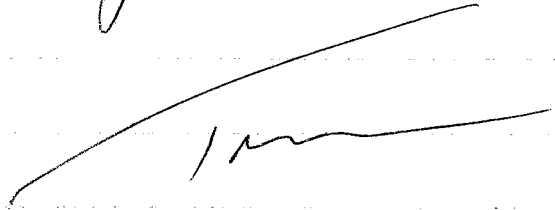

Sat. evening 2/15. Time? Why not

amble up some time in the afternoon,

have a leisurely drink or two, take off

your shoes, make yourself comfortable,
talk, and, in due course, do justice to me
of May's superlative meals which she
contrives when pleasant company is
expected?

Yours

A handwritten signature consisting of a long, sweeping horizontal line that curves upwards at the right end, with a smaller, more intricate flourish underneath it.
