Dear Tom - (Stamm)

Many thanks for sending the Liebler pages. I will xerox 2 copies, a few pages every day, and will bring you the original and the xerox copies when I see you on the 15th.

I will be delighted to visit you on Saturday the 15th. Thanks for inviting me. When you have a chance, please let me have directions for the trip (I am almost totally unfamiliar with the Bronx).

Did you have your Philadelphia weekend yet? Or is it next weekend? I'll look forward to hearing about your "reunion" with Vince.

Yes, the latest gambit (antagonist photos, X-rays) was certainly lacking in subtlety. It confronted the critics with the horrible dilemma of letting the WR triumph, or helping that ludicrous bombastic mountebank the New Orleans DA. Talk about horns of a dilemma!! I'll tell you what I did about it when I see you.

All the best -

Sylvia
