Dear Sylvia,

Had to unstaple Vince's speech to xerox it. Restapling not too good. Watch your fingers. All pages checked for presence and sequence. Believe all is as it should be in this regard.

Will now have to unstaple the contents. Decided to ask questions. Pick off Vince's letter to me of 1968. Copy accompanies

When reply is finished will send you copy, of course.
In meantime have a very good year. May's wish too.

Many thanks.
