

2/23/74

Sylvia,

Your letter to Scott dated 12/24/69

Clipping is undated, i.e., clipped without a date but with
a handwritten note at top "Undated. Some time in November"

Paper not identified. Your letter to Scott - "your
syndicated column of November 14, 69."

Material will be kept confidential until W releases.

Strange about Wecht. In your piece he found significant differences
between an "serious objection" to 1968 panel report. In Forensic
Science Gazette he supported the main findings. Do there
an explanation from him to you?
