Dear Mr. Stamm:

Your long letters are a real pleasure, since they evidence such enthusiastic reading and re-reading, and such an appreciation of detail.

Every letter opens up new questions to work on, and everything takes so much time, it is distressing.

Hope to be able to send you more things to debate, in the future.

Warmest holiday greetings,

John K. Lattimer, M. D., Sc. D.  
Professor & Chairman  
Department of Urology

JKL/edp

*Amazing, isn't it?*

*I tried to establish agreement with Weisberg; he replied with abuse!  
I try to demolish Lattimer's position; he responds with warmth!*
