

2/8/75 Cuernavaca  
Hi, Poor article  
in Harper's (Jan. 75)

on JFK assass. evidence  
problems. Includes autopsy  
find. of fatal wound in back  
but does not draw inferences  
in fact delib. puts shob. of conspir.  
aside. This in mag. which expressed  
lack of interest in JFK affair.
