Dear Thomas,

I hope you won't mind this brief note -- my schedule is so busy these days. But I did want to thank you for your kind letter.

I was really glad to hear that you've been watching GOOD NIGHT AMERICA and enjoying it so much. It's encouraging to know that there are friends behind my work.

Again, thanks for writing and I hope you'll continue to watch GOOD NIGHT AMERICA in the future.

Love and peace,

  
GERALDO RIVERA

P.S.: Thank you for the additional information you sent me.
