Dear Sylvia,

As always the pot is boiling.

Two items from last night's TV news.

1 Tom Snyder + Schweitzer: Latter, very sincere, told former, also very sincere, he is pursuing invest. into JFK assass. witnesses called - no names. Only conviction Schw has (his words) is that O had intelligence connection (his words); no details.

2 Catalogue of FBI moral, political crimes, illegalities by Church committee counsel included statement Bureau put "critics" of W.C. Report under surveillance. Very possibly this explains some of your strange visitors.
