

Dear Tom,

Wed. 12/17/75

Your manuscript, postmarked 11/29/75,  
was just delivered intoday's mail.

I thought you should know this.  
(I was about to write as to its non-arrival).

Will get to it shortly, and write a letter.  
I am under very intense pressure, now,  
to produce my entire book "yesterday".

Will be in touch.

Regards,

David Lifton
