

The Letter on Kennedy Autopsy Photos

WASHINGTON, Jan. 10 (AP)—Following is the text of a letter of the personal effects of President John F. Kennedy's assassination, after his assassination and deposited by the Kennedy family in the Archives of the United States.

October 29, 1968
Honorable Lawson B. Knott Jr.
Administrator of General Services

Washington, D. C.
Dear Mr. Knott:
The family of the late President John F. Kennedy shares the concern of the Government of the United States that the personal effects of the late President which were gathered as evidence by the President's Commission on the Assassination of President Kennedy, as well as certain other materials relating to the assassination, should be deposited, safeguarded and preserved in the Archives of the United States as materials of historical importance. The family desires to prevent the undignified or sensational use of these materials (such as public display) or any other use which would tend in any way to dishonor the memory of the late President or cause unnecessary grief or suffering to the members of his family and those closely associated with him. We know the Government respects these desires.

Accordingly, pursuant to the provisions of 44 U.S.C. 397(c)(1), the executors of the estate of the late President John F. Kennedy hereby transfer to the Administrator of General Services, acting for and on behalf of the United States of America, for deposit in the National Archives of the United States, all of their right, title, and interest in all of the personal clothing of the late President now in the possession of the United States Government and certain X-rays and photographs connected with the autopsy of the late President referred to in Appendix B, and the Administrator accepts the same, for and in the name of the United States, for deposit in the National Archives of the United States, subject to the following restrictions which shall continue in effect during the lives of the late President's widow, daughter, son, parents, brothers and sisters, or any of them:

(1) None of the materials identified in Appendix A ("the Appendix A materials") shall be placed on public display.
(2) Access to the Appendix A materials shall be permitted only to: (a) committees of the Congress, for a Presidential Committee or Commission, or for any other official agency of the United States Government, having authority to investigate matters relating to the death of the late President for purposes within the investigative jurisdiction of such committee, commission or agency;
(b) Any serious scholar or investigator of matters relating to the death of the late President, for purposes relevant to his study thereof. The Administrator shall have full authority to deny requests for access, or to impose conditions he deems appropriate on access, in order to prevent undignified or sensational reproduction of the Appendix A materials. The Administrator may seek the advice of the Attorney General or any person designated by the Attorney General with respect to the Administrator's responsibilities under this Paragraph 1 (2) (b).

Materials transferred to the Administrator shall take such appropriate steps as may be necessary and appropriate (including referral to the Department of Justice for appropriate legal action) to fulfill the objectives of this agreement and his statutory responsibility under the Federal Property and Administrative Services Act of 1949, as amended, to provide for the preservation, arrangement and use of materials transferred to his custody for archival administration.

III.
(1) In order to preserve the Appendix A materials and the Appendix B materials against possible damage, the Administrator is authorized to photograph or otherwise reproduce any of such materials for purposes of examination in lieu of the originals by persons authorized to have access pursuant to Paragraph 1 (2) or Paragraph 1 (2) (b). The Administrator may condition access under Paragraph 1 (2) (b) or Paragraph 1 (2) (b) to any of the materials transferred hereunder, or any reproduction thereof, upon agreement to comply with applicable restrictions specified in this agreement.

IV.
The Administrator is authorized to continue to consult with the Kennedy family representative designated pursuant to Paragraph IV (2), and to rely upon such representative's statements in writing as representing the views of the Kennedy family in connection with the construction or application of this agreement in a particular case. (2) The Kennedy family representative for the purposes of this agreement shall be Burke Marshall, President's representative of the Kennedy family may be designated in writing to the Administrator from time to time by Mrs. John F. Any such designations shall be made by any adult child of the late President John F. Kennedy or by any of the late President's sisters, with the advice of other members of the family. Any representative designated hereunder will serve until a successor is designated.

V.
This agreement may be amended, modified, or terminated only by written consent of the Administrator and the Kennedy family representative designated pursuant to Paragraph IV (2).

VI.
The Administrator shall impose such other restrictions on access to and inspection

of materials transferred to him and take such appropriate steps as may be necessary and appropriate (including referral to the Department of Justice for appropriate legal action) to fulfill the objectives of this agreement and his statutory responsibility under the Federal Property and Administrative Services Act of 1949, as amended, to provide for the preservation, arrangement and use of materials transferred to his custody for archival administration.
