

1 working in L.A. and I used to see him up on Sunset Strip.  
2 He used to be at the Hamburger Hamlet up on Sunset, and I  
3 met him there once and he told me he was a former C.I.A.  
4 agent, and he was a former pilot of a B-29, and he flew for  
5 C.I.A. in the Congo, and he was--he showed me--I believed  
6 him because he said, "It's just getting too hot here; I got  
7 to leave; I've been working for Garrison." But apparently  
8 Garrison has paid people then when it got too hot, he left.  
9 This guy has disappeared completely, so I know he took off.

10 Q Now, you speak of Garrison being scared of the  
11 fact that he would not be able to ever get this whole thing  
12 into court. In talking to him on this vein, has he told you  
13 this personally?

14 A Yes.

15 Q Has he ever mentioned any names of people, or  
16 what did he call it?

17 A Took a shot at him?

18 Q No, who would try to keep him from presenting  
19 this in court.

20 A Well, this committee.

21 Q This committee.

22 Q BY SGT. STENSON: Okay, that's the next question  
23 I want to get into. Let's go through the committee. You say  
24 you know the names of high-up--let's go to the top.

25 A Now this I told you that he can't prove this,  
26 or he can, but--okay, there was a General Walker.

1 Q General Walker?

2 A Walker that Kennedy threw out of the Army that  
3 Lee Harvey Oswald was supposed to have taken pot shots at.  
4 He was in great--he had--well, let's put it this way. There  
5 are--there is a right wing and there is a left wing. There's--  
6 there are a lot of people in this government that have  
7 penetrated certain areas of the government that have a lot  
8 of influence. General Walker, being a general, knew certain  
9 people that could connect him to other people in the military  
10 and the C.I.A. that had been former military that had been in  
11 the C.I.A. He is supposedly involved. A great right wing  
12 guy. In fact, he has radio shows, is H. L. Hunt. H. L. Hunt  
13 would have been hurt in many ways if the oil depletion  
14 allowance had gone through. He violently hated Catholics.  
15 Now this is all supposition in the mind--in the mind, but I  
16 know this is--this is the Garrison thing. I mean some of  
17 these names have been told to me by Garrison's people.  
18 Garrison himself would never tell me these things.

19 Q Now, have these two names been told to you by  
20 Garrison people?

21 A Yes.

22 Q These are not opinions you have?

23 A No, these are people that were mentioned.

24 Q BY SGT. SANDLIN: Ever mention a man by the name  
25 of Lewis?

26 A I know he was a perjurer or something. No.

1 Q Now, they have never mentioned his name?

2 A No, they have--they said there are ten people on  
3 that committee of which the next name would be Jim Wells.

4 Q BY SGT. STRONG: Well, how does Jim Wells--

5 A Well, Jim Wells--there is a county named after  
6 him in Texas, Jim Wells County, a rich oil guy, and he is  
7 the guy that has put up a lot of money for Lyndon Johnson,  
8 and it was this Jim Wells County that a disputed election of  
9 Lyndon Johnson to become a Congressman where they had votes  
10 (\*) He's been a long-time friend of Lyndon Johnson, and he's  
11 very wealthy. The name Brown and Root (phonetic) is a large  
12 industrial military complex. They build 80 percent of all  
13 the bases in Vietnam and all over the world. Brown is dead  
14 or Root is dead, one of the two, but very close to Lyndon  
15 Johnson, tied up in oil ventures and joint ventures with these  
16 people. These four names, or five names, are basically the  
17 only ones. There are some others, but right now I just  
18 don't remember.

19 Q Okay, that is the top level, now let's go down  
20 the middle level, the money, the bookkeepers, now who--

21 A --well, I assume Edgar Eugene Bradley is the  
22 bookkeeper because he had been, or a finder.

23 Q Okay, anyone else that you put in this level?

24 A There are some other people I just--I'll give  
25 you my file when I get home. I'll call you and tell you the  
26 names because I've got a file on them. I got tapes.

1 Q How many people (\*)

2 A I don't know. I don't know. There is 90 some  
3 people in the whole thing, so I'd say ten at the top and  
4 others at the bottom are not even connected or don't even  
5 know.

6 Q (\*)

7 A They just receive payoffs and they were told to  
8 look the other way, or like Tippett, Officer Tippett, the  
9 guy that was shot never wore a uniform in three years. He  
10 was an undercover detective and he was in uniform in a police  
11 car that day. Now if the president's there, maybe you'd be  
12 in uniform. If the president came here, but Dallas is a  
13 funny police department.

14 Q BY SGT. SANDLIN: Has the FBI or the Secret  
15 Service or any other governmental agency looked at your files  
16 or listened to the tapes that you have at all?

17 A No, the only time I've told is this FBI agent  
18 who is kind of interested, yet, I don't think he wanted to  
19 get involved in it. To be truthful, I really don't think--  
20 he said to me, "Look, I'm an American citizen and if I know  
21 this was going--even as an FBI agent, and somebody told me  
22 not to investigate this, and I investigated it and found out  
23 it to be true, I'd have to say something." Now there are  
24 other FBI agents that must have investigated this and found  
25 out certain things. Why haven't they come out? We had a  
26 little back-to-back bout about it which was very interesting

1 because I'd never talked that far to an FBI agent, but I  
2 think his mind was thinking that this could be true, but he  
3 left. Now, I don't know if he found reports to this effect  
4 or not. I think--I'm sure he did.

5 Q In talking to Garrison or his people, how much  
6 have they implicated the National States Rights Party?

7 A Well, the National States Rights Party--

8 Q --no, have they implicated them, I'll ask you  
9 that?

10 A Yes, there is this thing, this document, that  
11 they, the National States Rights Party, said to stop the  
12 Communists, take over America and all this stuff, and the  
13 black take over and all this. We must eliminate--

14 Q Do you think there is any tie-up between the  
15 National States Rights Party and this committee? (\*)

16 A Only on money principles. I think some of the  
17 people on the committee through other agencies or otherwise  
18 Federal money to the National States Rights Party, let's face  
19 it, they do it to the Ku Klux Klan, too. And there are people  
20 in the Communist Party that are not in the Communist Party  
21 that want to see the Communists do certain things that give  
22 money to their group (\*).

23 Q Now, I have one other question here that you have  
24 been following very closely, we understand this. What is  
25 your reaction--what is your opinion of the investigation being  
26 conducted by the Los Angeles Police Department and the

1 District Attorney's Office in relation to this case?

2 A I don't know your investigation (\*)

3 Q Well, you read the newspapers and you--

4 A --I think it has been kept very quiet, your  
5 investigation. I think that's what you have to do with the  
6 recent rulings of the Supreme Court. You can't say a damn  
7 thing or you're--

8 **SUF. STRONG:** This right here.

9 A What's that?

10 **SUF. STRONG:** This is a court order that we wish  
11 you to--I don't know whether you have read this court order.  
12 This is the court order from Judge Alarcon that states that  
13 you--now that we have discussed this--you can't discuss the  
14 case because you are bound by this court order just like we  
15 are, and later on--

16 A --I mean to the FBI, what if they--

17 **SUF. STRONG:** No, it goes on. You can read the  
18 whole article there. You can read it there and it says--a  
19 copy of the order itself, and we're required to do this to  
20 everybody we talk to.

21 A I know. I know.

22 **SUF. STRONG:** For your own edification you should  
23 read it there.

24 A Yes, everybody does deputize or--you know ever  
25 since Kennedy got shot, I've had a nail-biting thing. I  
26 can't stop biting my nails. It's a reaction I went to the

1 doctor about it (\*) It's nervousness. But it's interesting.  
2 Do I get to keep this?

3 SGT. STRONG: No, this is just a copy that--is  
4 this extra?

5 SGT. SANDLIN: This is an extra copy.

6 SGT. STRONG: Extra copy for him to keep?

7 SGT. SANDLIN: Yes, we'll note that we served it  
8 on you.

9 A Oh, all right, very good. I want you to know that  
10 really everything I told you is basically the truth. I mean  
11 it is the truth, and I told you a lot of things because the  
12 guy, Garrison, has--I mean he has trusted me because up to a  
13 point I have never in any of the programs I've produced, any  
14 of the newscasts, I have never said anything wrong about the  
15 guy, and I won't say anything wrong about you because I  
16 believe that if you have an investigation until you get to  
17 court that's when it is--when this trial is over, then you  
18 can talk about it.

19 Q BY SGT. SANDLIN: One question along this line  
20 which you don't have to answer because it is of a political  
21 nature, were you a strong supporter of Robert Kennedy in  
22 your own political way?

23 A I'm a Democrat. I would have voted for him, yes.  
24 I believed in some of his things. I also believed in some  
25 of the things that Rockefeller said. I would have voted for  
26 him.

SGT. STONG: Good. Okay, thank you very much.
