Dear Mrs. Heagher,

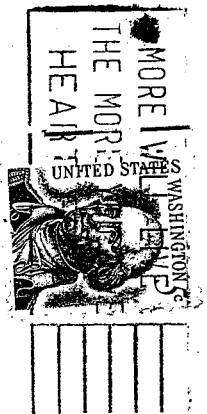

Am returning the enclosed unopened and I should have followed my intuition as I was fearful of making any contact with you or any associate of Mark Lane. I had the same feeling regarding RAMPARTS which I also should have followed.

The whole matter is in the hands of the right people in the U. S. Senate and things looks like they are moving well in all areas. Watch the timing regarding the final denouement. The New Orleans flurry is right on target!

Jules Striso

Feel free to use anything I may have given you without any problem. RAMPARTS has phase two which they have been using. I have moved into phase three.
