Dear Mr. Weinstein,

I am returning herewith the corrected proofs of my review. You may wish to insert a footnote in the title, after "Four Books" indicating the publishers and dates, as follows:

Inquest by Edward Jay Epstein (Viking Press, New York, 1966)
Whitewash by Harold Weisberg (Weisberg, Hyattstown, Maryland) 1966)
Rush to Judgment by Mark Lane (Holt, Rinehart and Winston, New York, 1966)
The Oswald Affair by Leo Sauvage (World Publishing Co., Cleveland and New York, 1966)

If you need some identifying data for the author, you might say that I am an independent researcher on the Warren Report whose Subject Index to the Warren Report and Hearings & Exhibits was published by Scarecrow Press, New York, in March 1966. Excerpts from my book-length manuscript on the Warren Report have been published in The Mincrity of One, September and October 1966 issues. My "Notes for a New Investigation" will appear in the December issue of Esquire.

Yours sincerely,

Sylvia Meagher
