SOCIALIST SCHOLARS CONFERENCE  
BOX 462 BROOKLYN, NEW YORK 11201

Dear Sylvia,

FRI

I hope the copy is good enough. It didn't come out as well as it usually does.

I enjoyed the chapter very much. It seemed to me both convincing + well written. However, it seemed a little narrow in focus for Studies, though heavens I'm no editor + don't know how they feel about this.

After he comes back from the West Coast (he leaves today) Gene Denovese, a neighbor, + editor of Studies, said he might pick up your Congo ~~is~~ book - if it's OK - for consideration by Studies, in some form.

How about taking time off + attending the Conference? You can attend <sup>only</sup> the dinner + O'Brien address, without paying registration fee.
