Dear Ms. Svobodny,

This letter is in further reply to yours of 20 January 1976 and to our telephone conversation of yesterday. In accordance with our discussion, I hereby give my permission for the inclusion of my work, the Subject Index to the Warren Report and Hearings and Exhibits, in your collection of materials on the assassination of President Kennedy for your series on American Presidents. I further accept your offer of a royalty of ten per cent. I assume that these arrangements will be embodied in a contract or agreement to be signed by the parties concerned.

With all good wishes,

Yours sincerely,
