Dear Ms. Meagher:

We are compiling a collection of pertinent materials about the assassination of John F. Kennedy for a series on American Presidents and we would like to include the work you prepared, Subject Index to the Warren Report and Hearings and Exhibits (Scarecrow Press, New York, 1966).

Would you please grant us permission to include this work in our collection?

Your book would be one of many titles on John F. Kennedy to be published in our microfiche collection.

We look forward to hearing from you. Thank you for your attention.

Very truly yours,

  
Dolly Sybodny,  
President
