Dear Miss Meagher:

Thank you for your letter of February 14 and the signed agreement giving us permission to reproduce, SUBJECT INDEX TO THE WARREN REPORT AND HEARINGS AND EXHIBITS. We are pleased to be able to include this title in our OP Book Program.

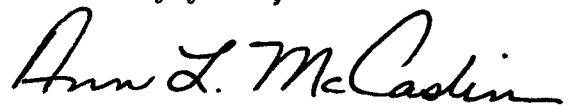

At this time, we are not equipped to make corrections in the books we reproduce. We would, however, be very happy to retype the errata and photograph it before the book with an appropriate note. Please let us know if this is not acceptable to you.

At this time, it is not our policy to supply copyright holders with complimentary copies of books. We do not keep copies in stock as is usual in traditional publishing but reproduce each copy upon demand.

It would help expedite our work if you have a copy of the book which you would lend to us for photographing. Filming will not harm the book and we will return it to you by insured mail.

We appreciate your cooperation and assistance very much.

Sincerely yours,

Ann L. McCaslin
