Mrs. KIMLY ELLIS, 1005 Peveto, advised SA ARTHUR E. CARTER and Patrolman PRESTON C. SNOGA, of the Irving Police Department, that she has resided at this address for the past three months, and she has not heard any shooting at any time during this period. She said that she was definitely home between the hours of 6:00 and 8:00 p.m. on the evening of November 21, 1963, and there was nothing to distract her attention during that period as she was reading the paper and there was no television program she wanted to watch at that time. She advised Peveto Street is only one block long, and it is full of little two room houses.
