Re: Transcript of Testimony

Dear Doug:

O
Many thanks for your information after talking with the official court reporters in the Ruby Trial, wherein you stated that there would be no daily transcript and that it would be transcribed into one document immediately after the trial was concluded.

P
This also confirms my statement to you that you should request the reporter to send to me at my office, address indicated above, a copy of the transcript as soon as finished and I will promptly remit for the cost of same.

An extra copy of this letter is being enclosed so you may hand it to the appropriate reporter.

Y
Thanking you and with best wishes always, I am

Sincerely yours,
