Dear Waggoner:

This confirms our conversation over the telephone yesterday that I will be out of Dallas about three weeks beginning on Friday, March 27, and will make a three-week trip overseas as per the attached schedule.

As I mentioned to you over the phone, I would be glad to do anything possible at the Warren Commission on either Monday, March 30, or Tuesday, March 31, when I expect to be in New York but I could run down to Washington from New York and spend one of those days. However, I cannot very well be there both days as I have some business matters in New York. Upon my return trip I expect to fly from Tripoli, Libya, through Rome and on to Washington on April 21, arriving late that evening, and will be registered at the Statler Hilton. I could spend both the 22nd and 23rd at the Commission if there is any necessity. Please keep these dates in mind, and you may advise me in advance or through my law office by calling my secretary, Mrs. Lee.

Sincerely yours,

Honorable Waggoner Carr
