Dear General:

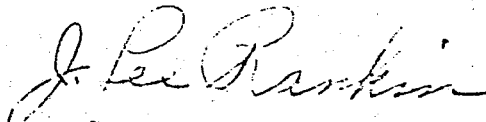

Throughout the course of the investigation conducted by this Commission, your office has been most helpful in forwarding to us information in the possession of the state and local law enforcement agencies in Texas concerning the events surrounding the assassination of President Kennedy and the death of Lee Harvey Oswald.

The Commission would like to know whether any law enforcement agency in the State of Texas possesses any information not hitherto disclosed to this Commission concerning the association of Lee Harvey Oswald or Jack Ruby with any Communist or subversive organizations in the United States or abroad, or with any criminals or criminal groups either in the United States or abroad. The Commission would also like to know whether any law enforcement agency in the State of Texas possesses any investigatory reports, police records, or other official data not hitherto disclosed to the Commission concerning the assassination of President Kennedy and the death of Lee Harvey Oswald.

The Commission would also like your assurance that the law enforcement agencies in the State of Texas will continue to forward to the Commission all such information as requested above which may come into the possession of these agencies.

Your continued cooperation in this investigation is very much appreciated.

Sincerely,

J. Lee Rankin
General Counsel
