Dear Mr. Olds,

One question that I forgot to ask you when we had our telephone conversation last month was whether you would find it possible to use occasional book reviews or articles written by me in the Texas Observer. My articles and reviews have appeared in The Commonweal, Esquire, and other periodicals as well as the now-defunct Minority of One. The enclosed book review was actually written for the Minority just before it suspended publication and it would be a great pity if the hitherto-unpublished information it gives about the Warren Commission does not come before the public.

Please let me know what the possibilities are and please return the enclosed review if you cannot use it, as I seem not to have made a carbon copy or to have misplaced it if it was made.

Yours sincerely,

Sylvia Meagher
