

4/21/70

Dear Mr. Olds,

Attached is an article that I wrote in September 1968 and up-dated this month. (It might be re-titled "Was Oswald a Skeleton in the FBI Closet?")

As the Observer was among the first to pose the question of Oswald's real relationship with the FBI, this piece may interest you. If you can use it, it's on the house. If not, no problem.

Regards,

Sylvia Meagher
