Dear Mrs. Meagher:

In your letter of June 23, you suggest that the same financial terms apply as in the publication of "The Private Life of the Warren Commission." What were those terms?

I plan on running the Lone Assassin piece in a few weeks.

Greg Olds is receiving mail through his sister Madeline Olds, 411 East Riverside Drive, Austin.

If you make it to Austin in August, please stop by the Observer office. There's always a pot of coffee on .

Yours truly,
