Dear Mr. Preston,

Thank you for your exceedingly generous letter of the 21st. I am happy that I can be of some help to Tink Thompson's fine book in terms of purely mechanical elements like the citations and the index—a draft of which I had just mailed to Tink before your letter arrived.

I look forward to receiving the galleys, and will do everything possible to expedite the checking of the references.

With kind regards and sincere appreciation,

Yours faithfully,
