Horsey just called
Garrison's "new scoop"
He went down to
check Turner lead
turned out baloney

Remember they got in touch
with Maze, and he
apparently was in Army,
a wine in Miami, 27-29 yrs
8' 8" tall Worked Crickyard
in Denton & James E. May

Garrison doesn't trust Bethell
any more - Big fight in 8's
office. I sending guy to meet
Maze in Miami P.O. Will carry
ce R & T under his arm

Horsey now very distrustful
of J. J. thinks Horsey
must be CIA because
in touch w Tink.

have said, just heard Tink
started criticizing J in Calif.
"SOB" Lane said Voice
told "them" Tink is CIA

Says, Tink met Voice 1st time.
Higgins heard bathtub
wading out tenton, arrested

Horsey told P Jones re Weatherford
