HAVERFORD, PA. 19041

June 11

Dear Sylvia,

We decided to start for Ohio a couple of days early in order to get a chance to see my sister and her family. We start tomorrow. I'm sending on the tape cassette of Lane's speech although I know this may be quite a bother to you -- your recorder is not the cassette type, is it?

In any case here are our addresses for the summer -- I agree that it may prove to be a busy summer. I'm tickled that you're beginning to keep files on this one.
