

Snake River Overlook  
 GRAND TETON NATIONAL PARK, WYOMING

The Grand Tetons provide a majestic backdrop for the beautiful winding Snake River. There are countless scenes such as this that make the Tetons a photographer's paradise.

Dear Sylvia, 31 Aug.  
 Got down from our  
 best climb of the week (the  
 Express Ridge on the Grand Teton)  
 at 1100 last night after lunch,  
 the old path was so steep to  
 lose the heart. The chief beauty  
 of the week being that we were  
 far from roadie 70 and  
 didn't have to follow the route  
 in Chicago Park.  
 We'll be back in Hoopland  
 by the 8th or 9th and I hope to  
 get you to NY to see you really  
 soon.
