

26 June

Dear Sylvia,

Europe seems happier, sunnier,
and safer than we remember. To
leave the States this summer is like
escaping from an asylum -- the
smell of disinfectant and wisdom
no longer seeps under the door.

DAYBREAK IN COPENHAGEN
FRÜHER MORGEN IN KOPENHAGEN

We're off to Switzerland now
for some hiking and climbing and
Zermatt, then back to Copenhagen
where we'll move into a small
house on July 15th. And then
hopefully add slowly, back to
serious work in philosophy... or
something.

I can hardly say, "How a
good time in Boston!"; but at least I hope
it turns out to be short. Best love,
19
