Dear Mr. Billings,

Thank you for your letter of 28 May 1968. I will, of course, be happy to co-operate in any possible way with respect to the case of Kerry Thornley. My information comes almost exclusively from David Lifton, who has made the same material available to you, I believe.

Please do not hesitate to let me know if you feel there is any assistance which I might be able to provide.

Yours sincerely,
