Re: Efforts to Locate ANDRES ANGELES, aka
Don Moon

RM 105-3777

The following investigation was predicated upon efforts to locate ANDRES ANGELES, also known as DON MOON, an alleged friend of WILLIAM MC EWAN DUFF, also known as WILLIAM MC LWAN MC DUFF, or "SCOTTY" who had been seen on one occasion in Dallas with LEE HARVEY OSWALD.

Date 12/20/63

DON BLAKE MOON, 466 Belleview Drive, Falls Church, Virginia, Apartment 102, employed by the Seven-Eleven Grocery Store at 23 South Carlyn Springs Road, advised that he was born September 28, 1936, at Ben Franklin, Texas as DON BLAKE LYONS and that he has used the name MOON since 1954 when his mother married HIRAM MOON. He advised that his step-father is employed as the area director for the AFL-CIO for the State of Texas and that they reside at 3422 Rugged Drive, Dallas, Texas.

MOON advised that he has placed telephone calls to Dallas, Texas, approximately four or five times during the past two months in an effort to locate an artist friend, REID PIPIN who hangs out at the El Dorado Bar on North Haskell Street in Dallas. MOON mentioned that he spoke with the managers, Mr. and Mrs. BUCHANAN on the four or five times when he called the El Dorado Bar in his unsuccessful attempts to locate REID PIPIN and was told that PIPIN had not recently been in the bar. MOON advised that he has never used or heard of the name of ANDRES ANGELES and knows no one by that name. He stated that he has never known of anyone by the name of WILLIAM MC EWAN DUFF or MC DUFF who might also be known as "SCOTTY".

MOON advised that the reason he was trying to get in touch with REID PIPIN at the El Dorado Bar in Dallas was that he did not know PIPIN's home address but knows PIPIN to be a self-employed graphic artist in Dallas and might presently reside with PIPIN's sister, name unknown, who resides in Seagoville, Texas, near Dallas. MOON was anxious to have PIPIN give him some assistance in getting started in the commercial art field in the Washington, D. C., area and although PIPIN was not acquainted in Washington, he is a capable artist in his own field and might have been able to advise MOON how to get started in this area.

He stated that at no time was money mentioned in his conversations with Mr. and Mrs. BUCHANAN but that he merely asked them to tell PIPIN that he was anxious to get in touch with him.

MOON mentioned that because he was raised in the Dallas, Texas, area he did go into the Carousel Bar on several occasions before getting into the Air Force in 1954 and remembers seeing the owner of the bar on one occasion when he broke up a crap game that MOON was involved in at the Carousel. MOON mentioned that someone in the crowd had mentioned to him that it was JACK RUBY, the owner or manager of the bar.
