

EDITORIALS Castellano Impeachment Kit

7-11-74
MIDLOTHIAN
WORKS

(EDITOR'S NOTE: This week we begin publication of "Impeachment Kit" compiled by Lillian Castellano of Hollywood, Calif. Mrs. Castellano is a very thorough and persistent researcher on the assassinations of both John and Robert Kennedy.

Four or five weeks will be required for us to complete the material, but we feel it is sufficiently important to merit publication.)
